

MEMORANDUM FOR THE RECORD

25X1A 1. After some discussion on 24 October 1952 with [REDACTED] 25X1A
[REDACTED], Mr. Maloon, and [REDACTED] it was indicated that of ap- 25X1A
25X9 proximately [REDACTED] people in the ID/P area who have been deferred
from the draft with the understanding that they would go overseas
within six months after their entry on duty with CIA, approximate-
ly 84 have not done so.

25X1A 2. I agreed with [REDACTED] that the Assistant Director (Personnel) would submit to him not later than the fifth of each month two lists showing (a) all draft-deferred personnel who have been in Washington more than four months and (b) those draft-deferred personnel who have been here more than six months. [REDACTED] 25X1A

25X1A [REDACTED] will return the lists to the Assistant Director (Personnel) not later than the 15th of each month certifying that all personnel on the "over six months" list have actually departed for overseas duty or explaining why they have not departed. The Assistant Director (Personnel) will insure that the Deputy Director (Administration) is advised of any case not actually departing for overseas duty within the six months period agreed to by CIA and the Selective Service Board.
